

Contents

SECTION ONE: HISTORICAL ASPECTS

1. Gametes and Embryo Donation: An Evolving Medical Contribution to Human Procreation 3
Itai Bar-Hava, Abraham Golan

SECTION TWO: INDICATIONS

2. Can we Define the Indications for Oocyte Donation? 11
Rubina Merchant, Gautam N Allahbadia
3. Treatment of Ovarian Failure 20
Avi Ben-Haroush, Benjamin Fisch
4. Is Donor Egg IVF a Rational Treatment for Genetic Disorders? 31
Siya S Sharma, Sucheta Jindal
5. Reversing the Natural Decline in Human Fertility with Oocyte Donation to Women of Advanced Reproductive Age 36
Richard J Paulson

SECTION THREE: FACTORS DEFINING SUCCESS

6. Do Recipient Age and Infertility Diagnosis Affect Pregnancy and Implantation Rates in a Donor Egg IVF Program? 43
Ofer Lehavi, Amnon Botchan, Yuval Yaron
7. Donor Age is Paramount to Success in Oocyte Donation 47
Foad Azem, Ami Amit, Youni Cohen
8. Importance of Transfer and Uterine Factors in a Donor Egg IVF Program 51
Vinay Sharma
9. Do Hydrosalpinges Adversely Affect Implantation in Donor Oocyte Cycles? 67
Sulbha Arora, Gautam N Allahbadia
10. The Effect of Prior Gravidity on the Outcomes of Egg Donation 72
Sulbha Arora, Gautam N Allahbadia
11. Factors that Determine Discordant Outcomes from Shared Oocytes 76
José Serna, Juan Antonio García-Velasco
12. Blastocyst Culture and Transfer in Oocyte Donation 84
Vittorio Unfer, Mauro Schimberni, Marco Sbracia, Francesco Morgia, Maria Luisa Casini
13. Endometriosis and Oocyte Donation 87
Cristiano Busso, Ernesto Bosch, Carlos Simón
14. The Best Donor 93
Einat Paz, Adrian Shulman
15. Clinical Factors Interfering with Endometrial Receptivity 100
Sérgio Reis Soares, Antonio Pellicer

SECTION FOUR: OOCYTE SHARING PROGRAMS

16. The Shared Donor Oocyte Program: Advantages and Insights (Egg Recipients Sharing Oocytes from Single Donor) 113
Jerome H Check

17. Egg Recipients Sharing Oocytes from Patients Undergoing IVF	118
<i>Goral Gandhi, Gautam N Allahbadia</i>	
18. Does Egg Sharing Compromise the Chances of Donors or Recipients Achieving a Livebirth?	127
<i>Shantal Rajah, Satha Sathanandan M</i>	
SECTION FIVE: FINANCIAL CONSIDERATIONS	
19. Social and Financial Aspects of Egg-sharing versus Professional Egg Donation in a Donor Egg IVF Program	139
<i>Ankush Gupta</i>	
20. Eggs for Sale: How Much is Too Much?	141
<i>Sigal Klipstein, Vishvanath Karande</i>	
21. Subsidized IVF: Egg-sharing as a Source of Donor Eggs	149
<i>Eric Blyth</i>	
SECTION SIX: DONOR SCREENING	
22. Oocyte Donor Screening: The Selection Process and Cost Analysis	159
<i>Rubina Merchant, Gautam N Allahbadia</i>	
23. Genetic Screening of Prospective Oocyte Donors	170
<i>Vivian Lewis</i>	
24. Should Donor Egg IVF Programs Accept PCOS Women as Donors?	177
<i>Padma Rekha Jirge, Umesh Acharya</i>	
SECTION SEVEN: POTENTIAL DONORS	
25. Family Members as Gamete Donors and Surrogates	185
<i>Geetha Venkat, Ian Logan Craft</i>	
26. Sisters of Women with Premature Ovarian Failure may not be Ideal Ovum Donors	192
<i>Jaime Knopman, Alan B Copperman</i>	
27. Should Nonpatient Volunteers Donate Eggs?	196
<i>Geetha Venkat, Gulam Bahadur, Kamal Ahuja</i>	
SECTION EIGHT: ASSESSING ENDOMETRIAL RECEPTIVITY	
28. Endometrial Receptivity in Oocyte Donation Cycles	203
<i>Yael Gonen, Shlomit Goldman</i>	
29. Color and Power Doppler for Assessing Endometrial Receptivity	208
<i>Ashok Khurana</i>	
30. Endometrial TB-PCR: Transcription-mediated Amplification or Histopathology for Endometrial Evaluation in Donor Egg IVF?	215
<i>Kulvinder Kochar Kaur, Gautam N Allahbadia</i>	
SECTION NINE: ENDOMETRIAL PREPARATION	
31. Preparation of the Endometrium for Egg Donation	225
<i>Gautam N Allahbadia, Rubina Merchant, Kaushal Kadam, Goral Gandhi</i>	
32. Long Estradiol Replacement in an Oocyte Donation Program	240
<i>Claudio Alvarez, Ernesto Bosch, José Remohí</i>	
33. Vaginal Progesterone Gel Preparation in a Donor Oocyte Program	247
<i>Christopher Sipe, Anuja Dokras</i>	

SECTION TEN: STIMULATION PROTOCOLS FOR OOCYTE DONORS

34. Role of GnRH Analog Depot Preparations in Donor Egg IVF 257
Sulbha Arora, Gautam N Allahbadia
35. Long Protocol is the Gold Standard for Ovarian Stimulation in Egg Donors 260
Gautam N Allahbadia, Rubina Merchant, Kaushal Kadam, Goral Gandhi
36. Timing of Placental Competence in Ovum Donation 270
Priya Kannan

SECTION ELEVEN: ULTRASOUND

37. Role of TVS in Assessing Endometrial and Ovarian Morphology in a Donor Egg IVF Program. Imaging Aspects: A Perspective 275
Natasha Nanda
38. Upper Genital Tract Screening with Hysterosonography in Patients Receiving Donated Oocytes 287
Gautam N Allahbadia, Kaushal Kadam, Sulbha Arora, Anita Sharma, Jaya Balan Valliappan, Gouri Gupta

SECTION TWELVE: SURROGACY

39. Surrogacy: Ethical, Psychological and Legal Implications 297
Rubina Merchant, Gautam N Allahbadia
40. Gestational Surrogacy 310
Sulbha Arora, Gautam N Allahbadia

SECTION THIRTEEN: ENDOSCOPY

41. Role of Hysteroscopy in a Donor Egg IVF Program 321
Gautam N Allahbadia, Kaushal Kadam, Sulbha Arora, Jaya Balan Valliappan, Anita Sharma

SECTION FOURTEEN: COUNSELING

42. Counseling Recipients in a Donor Egg IVF Program 331
Carmen Martinez Jover
43. Potential Psychological Attachments Formed by Egg Donors Involved in Fertility Technology 337
Diana Guerra-Díaz

SECTION FIFTEEN: ETHICS AND RELIGION

44. Ethical and Religious Considerations in Third Party Reproduction 345
Rubina Merchant, Gautam N Allahbadia

SECTION SIXTEEN: OBSTETRICS AND PERINATAL OUTCOMES

45. Factors Influencing the Obstetric and Perinatal Outcomes after Oocyte Donation 365
Nozer Sheriar, Ranjit Inamdar
46. Pregnancy Results and Obstetric Outcomes in Patients 45 years and Older 373
Hossein G Gholami

SECTION SEVENTEEN: LONG-TERM FOLLOW-UP

47. Health and Development of Donor Egg IVF Children Compared to IVF Children 381
Pooja Ramchandran

SECTION EIGHTEEN: LEGISLATION AND GUIDELINES

48. Donor Egg IVF: Its Regulation in India 387
Pushpa M Bhargava
49. Egg-sharing and Policy Making 397
Gulam Bahadur, Kamal Ahuja
50. Oocyte Donation: The Legislative Framework in Western Europe 403
Bryan J Woodward

SECTION NINETEEN: WHAT'S NEW?

51. Oocyte Donation to Human Immunodeficiency Virus-1 Serodiscordant Couples 415
Shira M Feinstein, Micha Baum, Daniel S Seidman
52. Turner's Syndrome and Oocyte Donation 420
Nick Macklon
53. Cross Border or Reproductive Tourism with Special Emphasis on Donor Oocytes 427
Gautam N Allahbadia, Daniel S Seidman

SECTION TWENTY: EPILOGUE

54. The Internet and Donor Egg IVF 437
Aykut Bayrak, Joel Batzofin
55. Egg Donor: Once Upon a Time—What Will You Tell Them? 444
Karen Herrera, Carmen Martinez Jover
56. Risks of Oocyte Donation 449
Roy Mashiach, Shlomo Mashiach
- Index** 461
