## Section 1

---

### Basic Chapters

1. <b>Movement Disorders as a Subspecialty of Neurology and an Introduction to the Physiology of Movement</b>	3
<i>Mark Hallett</i>	
2. <b>Anatomy, Physiology and Biochemistry of Basal Ganglia</b>	7
<i>Amar Kumar Misra, Shyamal Kumar Das</i>	
3. <b>An Approach to Movement Disorders</b>	17
<i>Shyamal Kumar Das, Amar Kumar Mishra</i>	
4. <b>Epidemiology of Movement Disorders</b>	33
<i>Shyamal Kumar Das, Bhaskar Ghosh</i>	
5. <b>Immunology and Movement Disorders</b>	41
<i>Bhaskar Ghosh</i>	
6. <b>Genetics:</b>	
1. <b>Genetics in Medicine</b>	52
<i>Jharna Ray</i>	
2. <b>Genetics of Movement Disorders</b>	69
<i>Jharna Ray, Arindam Biswas, Toofan Naiya</i>	
7. <b>Eye Movement in Normal State and Movement Disorders</b>	93
<i>Sitansu Sekhar Nandy</i>	
8. <b>Gait Disorders</b>	107
<i>Sandip Pal, Samar Biswas</i>	
9. <b>Neuroimaging in Movement Disorders</b>	121
<i>Sumita Kundu, Soumendra Nath Roy</i>	
10. <b>Sleep and Movement Disorders</b>	137
<i>Durga Pada Chakraborty, Shyamal Kumar Das</i>	

## Section 2

### Parkinsonian Disorders

- |  |     |
|--|-----|
| 11. <b>Idiopathic Parkinson's Disease</b>                                    | 149 |
| <i>Bhaskar Ghosh, Shyamal Kumar Das</i>                                      |     |
| 12. <b>Parkinsonism Plus Syndromes or Atypical Parkinsonian Disorders</b>    | 162 |
| <i>Shyamal Kumar Das, Kingshuk Mitra</i>                                     |     |
| 13. <b>Aetiopathogenesis of Parkinson's Disease</b>                          | 176 |
| <i>Sasanka Chakrabarti</i>   |     |
| 14. <b>Dementia in Parkinson's Disease</b>                                   | 186 |
| <i>Atanu Biswas, Trishit Roy</i>   |     |
| 15. <b>Management of Motor Complications in Advanced Parkinson's Disease</b> | 198 |
| <i>Shyamal Kumar Das, Amar Kumar Mishra</i>                                  |     |
| 16. <b>Alternative Therapies of Parkinson's Disease</b>                      | 206 |
| <i>Bhaskar Ghosh, Oksana Suchowersky</i>                                     |     |
| 17. <b>Surgery for Parkinson's Disease</b>                                   | 219 |
| <i>Sandip Chatterjee</i>   |     |
| 18. <b>Depression and Sleep-related problems in Parkinson's Disease</b>      | 231 |
| <i>Kalyan Brata Bhattacharya, Debal Laha</i>                                 |     |
| 19. <b>Autonomic Dysfunction in Parkinson's Disease</b>                      | 237 |
| <i>Bibhukalyani Das</i>  |     |

## Section 3

### Dystonic Disorders

- |   |     |
|---|-----|
| 20. <b>Dystonia—A Clinical Approach</b>   | 253 |
| <i>Shyamal Kumar Das, Shankha Subhra Chowdhury, Ansu Sen</i>                                      |     |
| 21. <b>Wilson's Disease</b>   | 261 |
| <i>MK Roy, K Ray, Shyamal Kumar Das</i>   |     |
| 22. <b>Dopa Responsive Dystonia</b>   | 279 |
| <i>Debabrata Ghosh, Benjamin L Walter</i>   |     |
| 23. <b>Occupational Dystonias</b>   | 293 |
| <i>Chandiprasad Das</i>   |     |
| 24. <b>Paroxysmal Dyskinesias</b>   | 303 |
| <i>Mrinal Kanti Roy</i>   |     |
| 25. <b>Hallervorden-Spatz Syndrome [Pantothenate Kinase Associated Neuro-Degeneration (PKAN)]</b> | 312 |
| <i>Kartick Ghosh, Shyamal Kumar Das</i>   |     |

## Section 4

### Movement Disorders in Pediatric Practice

- |  |     |
|--|-----|
| 26. <b>Approach to Pediatric Movement Disorders</b>  | 319 |
| <i>Amar Kumar Misra, Debabrata Ghosh</i>   |     |
| 27. <b>Tics Disorders</b>  | 330 |
| <i>Prosenjit Sengupta, Subarata Banerjee</i>   |     |
| 28. <b>Sydenham's Chorea</b>   | 339 |
| <i>Subhash Chandra Mukherjee</i>   |     |
| 29. <b>Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal Infection</b> | 344 |
| <i>Debabrata Ghosh, Gerald Erenberg</i>  |     |

## Section 5

### Movement Disorders in Psychiatry Practice

- |  |     |
|--|-----|
| 30. <b>Psychogenic Movement Disorders</b>                        | 357 |
| <i>Pramod Kumar Pal</i>  |     |
| 31. <b>Movement Disorders in Drug-Naive Psychiatric Patients</b> | 370 |
| <i>Malay Kumar Ghoshal, Prathama Guha</i>                        |     |
| 32. <b>Drug Induced Dyskinesia</b>                               | 378 |
| <i>Shyamal Kumar Das, Amar Kumar Mishra</i>                      |     |

## Section 6

### Non-dystonic and Non-parkinsonian Movement Disorders

- |   |     |
|---|-----|
| 33. <b>Tremor: Clinical Types, Approach and Outline of Management</b> | 391 |
| <i>Shyamal Kumar Das</i>  |     |
| 34. <b>Myoclonus</b>  | 400 |
| <i>Bhaskar Ghosh, Shyamal Kumar Das</i>                               |     |
| 35. <b>Huntington's Disease</b>                                       | 409 |
| <i>Subhash Chandra Mukherjee</i>                                      |     |
| 36. <b>Hemiballism</b>  | 418 |
| <i>Kamala Kant Bhoi, Shyamal Kumar Das</i>                            |     |
| 37. <b>Stereotypy and Stereotypic Movement Disorders</b>              | 424 |
| <i>Jyotirmoy Roy Chowdhury</i>  |     |
| 38. <b>Muscle Cramp and Other Causes of Muscle Stiffness</b>          | 433 |
| <i>Tapas Kumar Banerjee</i>   |     |
| 39. <b>An Approach to a Case of Cerebellar Ataxia</b>                 | 441 |
| <i>SK Somani, BK Ray</i>  |     |

**Section 7**

**Electrophysiology of Movement Disorders**

40. **Electrophysiology in Movement Disorder** 457  
*Shankar Prasad Saha, Sandip Pal, Kalyan Brata Bhattacharya*

**Section 8**

**Therapeutics in Movement Disorders**

41. **Botulinum Toxin: Pharmacology, Indication, Adverse Effects and Mode of Administration** 467  
*Amar Kumar Misra, Ranjit Ranawayya*
42. **Pharmacological Approach to Treatment of Movement Disorders** 487  
*Suparna Chatterjee, Avijit Hazra*

**Section 9**

**Miscellaneous**

43. **Quality of Life in Parkinson's Disease** 503  
*KK Dey*
44. **Post Stroke Movement Disorders** 510  
*KK Dey*
45. **Movement Disorders in Neurosurgical Practice** 519  
*Amar Kumar Misra, Parimal Tripathy, Shyama Pada Ghorai*
46. **Some Notable Names in the Study of Movement Disorders** 528  
*Kalyan Brata Bhattacharya*
- Index* 535
