1. Overview of Symptoms, Signs and Tests 1

Arun K Jain, Nishant Nawani, Prateek Aggarwal

Miroslav Vukosavljevic

| | |
|---|----|
| <i>Symptoms</i> | 1 |
| <i>Red Eye</i> | 1 |
| <i>Pink Eye</i> | 1 |
| <i>Tearing</i> | 2 |
| <i>Sandy Sensation</i> | 2 |
| <i>Foreign Body Sensation</i> | 2 |
| <i>Fry Eyes</i> | 2 |
| <i>Itching of Eyes</i> | 3 |
| <i>Photophobia</i> | 3 |
| <i>Discharge</i> | 3 |
| <i>Burning Sensation</i> | 3 |
| <i>Eye Pain</i> | 3 |
| <i>Eye Discomfort</i> | 4 |
| <i>Blurred Vision</i> | 4 |
| <i>Double Vision</i> | 4 |
| <i>Distorted Vision</i> | 4 |
| <i>Glare</i> | 4 |
| <i>Halos Around Lights</i> | 4 |
| <i>Flashing Lights</i> | 4 |
| <i>Floaters</i> | 4 |
| <i>Seeing Cobwebs</i> | 4 |
| <i>Eyelid Drooping</i> | 5 |
| <i>Eyelids Sticking Together in the Morning</i> | 5 |
| <i>Twitching of Eyelids (Myokymia)</i> | 5 |
| <i>Prominent or Bulging Eyes</i> | 5 |
| <i>Inability to Close Eyelids</i> | 5 |
| <i>Signs</i> | 5 |
| <i>Lids</i> | 5 |
| <i>Conjunctiva</i> | 8 |
| <i>Sclera</i> | 11 |
| <i>Cornea</i> | 12 |
| <i>Anterior Chamber</i> | 19 |
| <i>Iris</i> | 20 |
| <i>Pupil</i> | 21 |
| <i>Lens</i> | 22 |
| <i>Vitreous</i> | 24 |
| <i>Retina</i> | 24 |
| <i>Optic Nerve</i> | 27 |
| <i>Orbit</i> | 28 |
| <i>Facial</i> | 28 |

| | |
|--|----|
| Tests | 28 |
| <i>Cover Tests (Cover-Uncover and Alternate Cover)</i> | 28 |
| <i>Visual Field Test</i> | 29 |
| <i>Seidel Test</i> | 30 |
| <i>Forced Duction Test</i> | 30 |
| <i>Amsler Grid Test</i> | 30 |
| <i>Confocal Microscopy of Endothelium</i> | 30 |
| <i>Corneal Pachymetry</i> | 31 |
| <i>Corneal Hysteresis</i> | 31 |
| <i>Schirmer's Test</i> | 32 |
| <i>Tear Break-Up Time (TBUT)</i> | 33 |
| <i>Interpreting TBUT</i> | 33 |
| <i>Tear Osmolarity</i> | 33 |

2. Cornea..... 35

Thomas John

| | |
|--|----|
| <i>Normal Cornea</i> | 35 |
| <i>Tear Film</i> | 36 |
| <i>Dry Eye/Keratoconjunctivitis Sicca</i> | 37 |
| <i>Filamentary Keratitis</i> | 39 |
| <i>Corneal Abrasion</i> | 39 |
| <i>Recurrent Erosion</i> | 39 |
| <i>Shield Ulcer</i> | 41 |
| <i>Bacterial Infection: Keratitis and Ulceration</i> | 42 |
| <i>Viral Infection</i> | 46 |
| <i>Herpes Simplex Keratitis</i> | 46 |
| <i>Conjunctivitis</i> | 48 |
| <i>Herpetic Eye Disease Study (HEDS)</i> | 50 |
| <i>Herpes Zoster Ophthalmicus</i> | 50 |
| <i>Fungal Infection—Keratitis</i> | 52 |
| <i>Parasitic Infection</i> | 54 |
| <i>Acanthamoeba Keratitis</i> | 54 |
| <i>Microsporidia Keratitis</i> | 57 |
| <i>Peripheral Ulcerative Keratitis (PUK) and Peripheral Corneal Thinning (PCT)</i> | 57 |
| <i>Terrien's Marginal Degeneration</i> | 57 |
| <i>Pellucid Marginal Degeneration</i> | 58 |
| <i>Mooren's Ulcer</i> | 58 |
| <i>Furrow Degeneration</i> | 59 |
| <i>Connective Tissue Diseases (Rheumatoid Arthritis, Wegener's Granulomatosis, Systemic Lupus Erythematosus, Polyarteritis Nodosa, Relapsing Polychondritis)</i> | 60 |
| <i>Neurotrophic Keratopathy</i> | 61 |
| <i>Thermal/Ultraviolet Keratopathy</i> | 61 |
| <i>Ectatic Disorders</i> | 61 |
| <i>Anterior Keratoconus</i> | 61 |
| <i>Posterior Keratoconus</i> | 65 |
| <i>Keratoglobus</i> | 65 |
| <i>Post-LASIK Ectasia</i> | 65 |
| <i>Pellucid Marginal Degeneration</i> | 66 |

| | |
|---|----|
| <i>Dystrophy—Epithelial</i> | 66 |
| <i>Anterior Basement Dystrophies (ABMD) (Map-Dot-Fingerprint)</i> | 66 |
| <i>Meesman's Dystrophy</i> | 67 |
| <i>Dystrophy—Bowman's</i> | 68 |
| <i>Reis-Bücklers Dystrophy</i> | 68 |
| <i>Gelatinous Drop-like Dystrophy</i> | 68 |
| <i>Dystrophy—Stromal</i> | 69 |
| <i>Granular Dystrophy</i> | 69 |
| <i>Lattice Dystrophy</i> | 69 |
| <i>Macular Dystrophy</i> | 69 |
| <i>Avellino Dystrophy (Granular and Lattice)</i> | 70 |
