

Contents

SECTION 1 UPPER LIMB INJURIES

1. Shoulder Girdle Injuries	3
• Fracture Clavicle	3
• Malunion Clavicle	4
• Nonunion Clavicle	4
• ACM Joint Dislocation	5
• Injuries of the Acromioclavicular Joint	6
• Anterior Dislocation of the Shoulder	6
• Posterior Dislocation of Shoulder	9
• Recurrent Shoulder Dislocation	10
• Complications of Proximal Humeral Fractures	10
• Malunion Surgical Neck Fracture	11
• Malunion Greater Tuberosity	12
• Frozen Shoulder (Periarthritis of the Shoulder)	13
• Long Thoracic Nerve Injury	14
2. Arm Injuries	16
• Fracture Shaft Humerus	16
• Malunion Shaft Humerus	17
• Nonunion Shaft Humerus	19
• Migrated IM Nail	20
• Radial Nerve Injury	21
• Radial Nerve Palsy Due to Fracture Shaft Humerus	22

3. Elbow Injuries	24
• Supracondylar Fracture of Humerus	24
• Malunited Supracondylar Fracture in Children (Gunstock Elbow)	25
• Malunited Supracondylar Fracture in Adults	26
• Traumatic Myositis Ossificans	28
• Fracture of Lateral Condyle of Humerus	29
• Malunited Lateral Condyle Humerus	30
• Tardy Ulnar Nerve Palsy Due to Old Lateral Condyle Humerus Fracture	31
• Dislocation of the Elbow Joint	32
• Old Neglected Fracture Dislocation of the Elbow	34
• Fixed Flexion Elbow	35
• Intercondylar Fractures Malunion	35
• Fracture of the Olecranon	36
• Malunited Olecranon Fracture	37
• Capitellum Fractures	38
4. Forearm Injuries	40
• Monteggia Fracture	40
• Malunited Monteggia	40
• Radial Head Fracture	42
• Malunited Radial Head Fracture	43
• Fracture of Both Bones of Forearm	44
• Malunion Both Bones Forearm	45
• Infected Malunion Both Bones Forearm	46
• Nonunion Forearm Bones	47
• Infected Nonunion Both Bones Forearm	47
• Isolated Fracture of Ulna or Nightstick Fracture	48
• Malunited Nightstick Fracture	48
• Malunion Distal Ulna and Radius	49
• Volkmann's Ischemic Contracture	49
5. Wrist Injuries	50
• Colles' Fracture	50
• Malunited Colles' Fractures	51
• Frozen Hand Shoulder Syndrome	53
• Carpal Tunnel Syndrome	54
• Scaphoid Fracture	55
• Nonunion Scaphoid	56
• Radial Styloid Fracture (Chauffeur's Fracture, Backfire Fracture, Hutchinson's Fracture)	57
• Malunited Radial Styloid Practice	57
6. Hand Fractures	59
• Dorsal Metacarpophalangeal (MP) Joint Dislocation (Kaplan's Lesion)	59
• Kaplan's Deformity	59
• Mallet Finger (Syn: Baseball Finger, Drop Finger)	60
• Old Mallet Injury	60
• Tendon Injuries	60
• Extensor Tendon Injuries	61

7. Neurovascular Complications 63

- Volkmann’s Ischemic Contracture (VIC) 63
- Claw Hand Deformity 64
- Radial Nerve Injury 66
- Erb’s Palsy 68
- Klumpke’s Paralysis 69
- Brachial Plexus Lesion 69

SECTION 2 LOWER LIMB INJURIES

8. Femur Injuries 75

- Fracture Shaft Femur 75
- Malunion Fracture Shaft Femur 76
- Subtrochanteric Fracture 77
- Nonunion Fracture Femur 78
- Malunion Subtrochanteric Fracture 79
- Fracture Distal Femur (Malunited) 80
- Malunited Distal Femur 80
- Malunited Supracondylar Fracture Femur (Operated Case) 82

9. Leg Injuries 84

- Proximal Tibial Fracture 84
- Malunited Lateral Condylar Fractures 84
- Fracture Tibia and Fibula 85
- Malunion of Tibia and Fibula 87
- Nonunion of Tibia 89
- Infected Nonunion of Tibia 90
- Chronic Osteomyelitis 91
- Broken Nail 91
- Foot Contractures 92
- Infected Implants 92

10. Knee Injuries 94

- Anterior Cruciate Ligament (ACL) Tear 94
- Old ACL Tear 94
- Medial Meniscus Injury 95
- Old Medial Meniscus Injury 96
- Fracture of Patella 96
- Nonunion Fracture Patella 97
- Extra-articular Ankylosis Knee 98
- Secondary Osteoarthritis of Knee 99
- Bony Ankylosis Knee 102

11. Ankle Injuries 103

- Malleolar Fractures 103
- Malunited Malleolar Fracture 103
- Old Ankle Dislocations 104

12. Foot Injuries 105

- Fracture Calcaneum 105
- Malunion Calcaneum 105
- Jones Fracture 106
- Footdrop 107
- Malunited Cuboid Fracture 107

SECTION 3

HIP AND SPINE INJURIES

13. Hip Injuries 113

- Nonunion Fracture Neck of Femur 113
- Intertrochanteric Fracture 114
- Malunited Trochanteric Fractures 115
- Nonunion Trochanteric Fractures 116
- Posterior Dislocation of Hip Joint 116
- Unreduced Posterior Dislocation of Hip 117
- Anterior Dislocation of Hip (ADH) 117
- Central Dislocation of Hip (CDH) 118
- Avascular Necrosis of the Femoral Head 118
- Secondary Osteoarthritis of the Hip 122
- Unreduced Posterior Dislocation of the Hip Joint 122
- Chronic Osteomyelitis of Head and Neck Femur 124
- Unreduced Anterior Dislocation of the Hip Joint 125
- Neglected Anterior Dislocation of the Hip 126
- Old Central Fracture Dislocation 126

14. Spinal Cord Injury 128

- Thoracic Fractures with Paraplegia 128
- Bedsores Management 130
- Paralyzed Bladder 130
- Bowel Program 131
