1. The Female Pediatric Patient: Normal Genitalia and Examining Techniques.....	1
<i>Marites Miguel-Butaran</i>	
▶ Examination of the Pediatric Patient	1
▶ Instruments and Supplies for the Prepubertal Examination	1
▶ Different Techniques of Positioning	2
▶ Different Techniques of Visualizing the Vestibule	3
▶ Obtaining Samples	4
▶ Recto-Abdominal Examination	4
▶ Normal External Genitalia of a Child	5
▶ Different Hymenal Configurations	6
2. Sonography in Pediatric Gynecology	8
<i>Corazon Yabes-Almirante</i>	
▶ Ultrasound Examination of Children with Gynecologic Problems	8
▶ Anatomical Difference between Adult and Child	9
▶ Measurement of Uterus and Ovaries	9
▶ Case Review	11
▶ Transperineal Sonography	12
▶ Ovarian New Growth	14
▶ Malignant Tumors	17
▶ Infection and Other Conditions	21
▶ Congenital Anomalies of the Genital Tract	22
▶ Ultrasound of Breast in Children	26
▶ Common Breast Diseases and Conditions in Young Females	29
▶ Central Precocious Puberty	31
3. Abnormalities in Development.....	32
<i>Franklin P Atencio</i>	
▶ Embryology of the Female Reproductive System	32
▶ Ovaries	32
▶ Development of Uterus	33
▶ Formation of Vaginal Canal	33
▶ Müllerian Anomalies	34
▶ Mayer-Rokitansky-Kuster-Hauser Syndrome	35
▶ Creation of Neovagina by Labial Flap Vaginoplasty	37
▶ Vaginoplasty: Different Techniques and Approaches	37
▶ Obstructive Anomalies	40
▶ Transverse Vaginal Septum	41
▶ Double Uterus with Vaginal Septum and Obstructed Hemivagina	43
▶ Goals of Therapy in Young Women with the Müllerian Anomalies	47
▶ Urorectal Malformation Anomaly	47
4. Abnormalities in Sexual Differentiation	50
<i>Eva Maria Cutiongco-Dela Paz</i>	
▶ Normal Development of the Genital System	50

▶ Congenital Adrenal Hyperplasia	52
▶ Androgen Insensitivity Syndrome	53
▶ Mixed Gonadal Dysgenesis	53
▶ Urorectal Malformation Sequence	53
▶ Turner Syndrome	54
▶ Klinefelter Syndrome	54
5. Vulvovaginal Disorders	55
<i>Ma Socorro C Bernardino, Annebelle Dimatulac-Aherrera</i>	
Vulvovaginal Infections in Children	55
▶ Vulvovaginitis	55
▶ Causes of Vulvovaginitis	57
▶ Specific Vulvovaginitis	57
▶ Diagnosis of Vulvovaginitis	60
▶ Treatment of Vulvovaginitis	61
Dermatologic Problems and Other Disorders of the Vulva	62
▶ Labial Fusion or Labial Adhesion	62
▶ Contact Dermatitis	63
▶ Vulval hemangioma	64
▶ Granuloma Gluteale Infantum	64
▶ Genital Ulcers	65
▶ Aphthous Lesion in Behcet's Disease	65
▶ Lichen Sclerosus	67
6. Normal and Precocious Puberty	68
<i>Blanca C de Guia</i>	
▶ Precocious Puberty	68
7. Delayed Puberty	77
<i>Lorna F Ramos-Abad</i>	
▶ Causes of Delayed Puberty	77
▶ Sample Case 1	78
▶ Sample Case 2	78
▶ Evaluation of Delayed Puberty	78
8. Hyperandrogenism in the Adolescent	81
<i>Lorna F Ramos-Abad</i>	
▶ Evaluation of Hyperandrogenism	81
9. Polycystic Ovary Syndrome in Adolescents	83
<i>Angela Sison-Aguilar</i>	
▶ Diagnosis	83
▶ Clinical Presentation and Natural Course	83
▶ Long-term Implications	83
▶ Management	84
10. Menstrual Dysfunction in Adolescents	86
<i>Corazon Yabes-Almirante</i>	
▶ Menarche	87
▶ Disorders of the Menstrual Cycle	87
▶ Amenorrhea	88
▶ Dysfunctional Uterine Bleeding or Anovulatory Uterine Bleeding	88

11. Urologic Causes of Pelvic Pain in Young and Adolescent Girls.....	91
<i>David T Bolong</i>	
▶ Urinary Tract Infections	91
▶ Congenital Anomalies	92
▶ Stones and Urinary Obstruction	95
▶ Interstitial Cystitis/Urethral Syndromes/Irritable Bladder Syndromes	95
12. Gynecologic and Other Causes of Pelvic Pain.....	97
<i>Dianalyn G Sazon-Carlos</i>	
▶ Gynecologic Causes of Pelvic Pain	97
▶ Nongynecologic Causes of Pelvic Pain	99
13. Gynecologic Tumors in Pediatric Patients.....	101
<i>Franklin P Atencio, Julie Christine F Dimaano-De Torres</i>	
▶ Ovarian Masses	101
▶ Physiologic Cysts in Childhood	101
▶ Pathologic Ovarian Cysts	103
▶ Germ Cell Ovarian Tumors	104
▶ Immature Ovarian Teratomas	106
▶ Granulosa Cell Tumor	107
▶ Ovarian Masses in Children: 11-year Review, 1995-2006	108
▶ Vulvovaginal Tumors in Children and Adolescents	110
▶ Labial Hemangioma	111
▶ Genital Prolapsed	111
▶ Squamous Papilloma of the Vulva	112
▶ Endodermal Sinus Tumor of the Vagina	113
▶ Nongynecologic Tumors Presenting as Vulvar Mass	113
▶ Prolapsed Extravesical Ureterocele	114
14. Adolescent Sexuality and Teenage Pregnancy.....	116
<i>Alicia Berbano-Tamesis, Rosa Maria Hipolito-Nancho</i>	
Adolescent Sexuality 116	
▶ Filipino Adolescent Sexuality	116
▶ Adolescent Concern and Needs	119
▶ Risk Behavior and Sexual Health	119
