

Contents

SECTION 1: General Aspects of Vaccines and Immunization

- 1. Immunization in Adults: Introduction and General Considerations 3**
T Jacob John
- 2. Epidemiology of Vaccine-preventable Diseases in Adults in India..... 9**
Venkatarao Epari, Sandhya Gupta, Chandrakant Lahariya
- 3. Essentials of Immunology and Immunization 15**
Sapan C Pandya, Rutviz Mistry, Meera Shah
- 4. Vaccine Administration: Principles and Practices 23**
Niranjan Shendurnikar, Divya Dave
- 5. Vaccine Storage and Cold Chain Maintenance 30**
Digant D Shastri
- 6. Adverse Events Following Immunization and Vaccine Safety..... 39**
Abhay K Shah
- 7. Setting up of Adult Vaccination Center 45**
Tushar P Shah, Bhavesh Patel
- 8. Communication and Counseling Adults for Immunization 53**
Satish V Pandya, Chitra Pandya
- 9. Ethical Issues in Adult Vaccination 59**
Tushar P Shah

SECTION 2: Vaccines for Use in Adults

- 10. Diphtheria, Pertussis and Tetanus Vaccines 67**
Srinivas G Kasi
- 11. Influenza (Flu) Vaccines 73**
M Surendranath, Rama Kaja, Tushar P Shah
- 12. Hepatitis B Vaccines 81**
Chittranjan C Chaubal, Niranjan Shendurnikar
- 13. Pneumococcal Vaccines..... 87**
Baijul Desai, Nitin K Shah
- 14. Typhoid Vaccines 95**
Sagar S Kulkarni
- 15. Hepatitis A Vaccines..... 101**
Tushar P Shah, Niranjan Shendurnikar

16. Human Papillomavirus Vaccines.....	105
<i>Pankaj D Desai</i>	
17. Varicella and Zoster Vaccines.....	109
<i>Niranjan Shendurnikar, GK Agrawal</i>	
18. Rabies Vaccines	116
<i>Deepak Saxena, Sandul Yasobant, Tushar P Shah</i>	
19. Dengue Vaccines	122
<i>K Dhanalakshmi</i>	
20. Other Vaccines for Adults (Measles, Mumps and Rubella, Haemophilus influenzae b, Meningococcal Conjugate Vaccine, Cholera and Japanese Encephalitis)	127
<i>Unmesh Upadhyay, Brajendra Mishra, Naveen Thacker</i>	

SECTION 3: Vaccines in Special Groups and Situations

21. Vaccines for Adolescents.....	137
<i>Abhay K Shah, Aashay A Shah, Niranjan Shendurnikar</i>	
22. Vaccination in Special Situations.....	142
<i>Sunil Bhat, Ravi Joshi, Shalini Pandya, Urvinder Kaur</i>	
23. Vaccination for Healthcare Professionals	150
<i>Bhaskar Shenoy</i>	
24. Vaccines for Travelers	157
<i>Unmesh Upadhyay, Naveen Thacker</i>	

SECTION 4: Newer Vaccines and Technologies

25. COVID-19 Vaccines	165
<i>Vipin M Vashishtha, Chandra Mohan Kumar</i>	
26. Future Developments in Vaccines and Immunization	188
<i>Arun Wadhwa</i>
