

# Contents

## SECTION 1: Introduction to Neonatal Resuscitation

1. **Anatomy and Physiology Related to Resuscitation** .....3  
*Harish Chellani, Sugandha Arya*
2. **Preparing for Resuscitation and Familiarizing with the Equipment** .....10  
*US Jagdish Chandra*

## SECTION 2: The Process of Neonatal Resuscitation: Basics

3. **Initial Newborn Care** .....29  
*Somashekhar Nimbalkar*
4. **Positive Pressure Ventilation** .....39  
*Rhishikesh Thakre*
5. **Laryngeal Mask Airway** .....59  
*Ashish Mehta*

## SECTION 3: The Process of Neonatal Resuscitation: Advanced

6. **Endotracheal Intubation** .....69  
*Suman Rao PN*
7. **Chest Compressions** .....89  
*Abiramalatha T*
8. **Medications During Neonatal Resuscitation** ..... 101  
*Satvik C Bansal*

## SECTION 4: Special Scenarios in Resuscitation

9. **Resuscitating the Preterm Baby** ..... 117  
*Reeta Bora*
10. **Resuscitation in Pneumothorax and Pleural Effusion** ..... 124  
*VC Manoj*
11. **Resuscitating a Newborn with Congenital Malformation** ..... 130  
*Prakash Amboiram*
12. **Resuscitating Newborns of Multiple Pregnancy** ..... 137  
*Umamaheswari Balakrishnan*
13. **Resuscitation of Neonate Born to a Mother with Human Immunodeficiency Virus Infection or SARS-CoV-2 Infection** ..... 145  
*Praveen Kumar*

## SECTION 5: Postresuscitation Care

- 14. Postresuscitation Care: Management of Hypoxia and Other Issues..... 157**  
*Sushma Nangia*

## SECTION 6: Evidence-base for Neonatal Resuscitation Practices

- 15. Evidence-base for Neonatal Resuscitation Practices: Initial Steps ..... 177**  
*Shashi Kant Dhir, Dheeraj Shah, Piyush Gupta*
- 16. Evidence-base for Neonatal Resuscitation Practices: Beyond Initial Steps ..... 206**  
*Deepak Chawla, Siddarth Ramji*

## SECTION 7: Evolution of Neonatal Resuscitation Practices

- 17. International Guidelines: Evolution and Current Status ..... 233**  
*Aparna C*

## SECTION 8: Ethical Issues and Research in Neonatal Resuscitation

- 18. Termination and Non-initiation of Resuscitation..... 245**  
*Tejo Pratap Oleti*
- 19. End-of-life Care ..... 254**  
*Rashna Dass Hazarika*
- 20. Research Priorities in Neonatal Resuscitation..... 258**  
*Suksham Jain*

## SECTION 9: Beyond Resuscitation Issues

- 21. Resuscitation in Low-resource Settings ..... 265**  
*Abhishek S Aradhya*
- 22. Communication and Counseling for Neonatal Survival ..... 277**  
*Chandrakala BS*
- 23. Quality Improvement in Neonatal Resuscitation..... 288**  
*Akash Bang*
- 24. Training and Capacity Building ..... 300**  
*Vikas Goyal*
- Annexures.....309*
- Self Assessment: Answers .....321*
- Index.....327*
