

CONTENTS

1. Indications for Liver Resection	1
<i>Vibha Varma</i>	
□ Indications for Liver Resection	1
□ Primary Liver Tumour	2
□ Metastatic Liver Tumours	4
2. Techniques for Transection of the Liver	12
<i>Sorabh Kapoor</i>	
□ Ideal Method for Parenchymal Division	12
□ Classification of Transection Methods	13
□ Transcollation RF Technology	15
□ Comparison of Different Transection Methods	17
3. Operations for Benign Lesions of the Liver	23
<i>Prashantha S Rao, Tanveer Singh</i>	
□ Hemangioma	23
□ Hepatocellular Adenoma	26
□ Focal Nodular Hyperplasia	27
□ Hydatid Cyst Disease	28
4. Operations for Carcinoma of the Gall Bladder	39
<i>Vibha Varma</i>	
□ Gallbladder Carcinoma	39
□ GallBladder Polyps	45
5. Operations for Carcinoma of the Bile Ducts	47
<i>Vinay Kumaran</i>	
□ Hilar Cholangiocarcinoma	47
□ Postoperative Care	53
□ Special Issues in Surgery for Cholangiocarcinoma	55
6. Operations for Hepatocellular Carcinoma	59
<i>Vinay Kumaran</i>	
□ Treatment Options for Hepatocellular carcinoma	59
□ Preparation for Surgery	61
□ Postoperative Management	69
7. Operations for Colorectal Liver Metastases	74
<i>Vinay Kumaran</i>	
□ Portal Vein Embolization	75
□ Staged Liver Resection	75

- ☐ Margin of Resection 75
- ☐ Lymph Node Dissection 76

8. Liver Transplant: Procurement of the Liver From A Deceased Donor 80

Sorabh Kapoor

- ☐ Technical Aspects 80
- ☐ Exposure of Aorta/ILIAC Arteries and IVC 82

9. Liver Transplant: Recipient Hepatectomy 93

Sorabh Kapoor

10. Liver Transplant: Implantation of a Whole Liver 101

Sorabh Kapoor

- ☐ Recipient Hepatectomy 101
- ☐ Portal Dissection 102
- ☐ Veno-venous Bypass 105

11. Living Donor Liver Transplant: Donor Hepatectomy 112

Naimish Mehta, Vinay Kumaran

- ☐ Donor Evaluation 112
- ☐ Psychiatry Assessment 113
- ☐ Operative Steps 114

12. Living Donor Liver Transplant: Implantation 125

Barun Nath, Naimish Mehta, Vinay Kumaran

- ☐ Basic Prerequisites To Implantation 125
- ☐ Steps of implantation 125
