Unit I: Introduction to Health Administration

Chapter 1: Overview of Indian Health Care System

3

- Introduction 3
- The Constitution of India 3
- Indian Administrative System: Health Care Delivery System–National, State and Local Level 4
- National Level 5
- Health Administration at State Level 6
- State Directorate for Health 6
- Administration and Organization at Regional Level 7
- Administration and Organization at District Level 7
- Administration and Organization at Subdivision Level 7
- Administration and Organization at Block Level 7
- Village Level Administration 8
- District Administration Urban Areas 8
- Other Agencies for Health Care 8
- Planning Process: Five Year Plans 8

Chapter 2: India's Health Care Policies

16

- Various Committee Reports on Health and their Impact on Nursing 16
 - Health Survey and Development Committee, 1943–1946 16 (Bhore Committee)
 - Health Survey and Planning Committee, 1959–1961 17 (Mudaliar Committee)
 - Chadha Committee Reports, 1963 18
 - Dr Mukherjee Committee Reports, 1965 19
 - Dr Mukherjee Committee Reports, 1966 19
 - The Recommendations Made by Mukherjee Committee, 1966 19
 - Jungalwalla Committee on Integration of Health Services, 1967 20
 - Kartar Singh Committee on Multipurpose Workers Under Health and Family Planning 1972 20
 - Shrivastava Committee, a Group of Medical Education and Support Manpower, 1975 21
 - Rural Health Scheme, 1977–1978 21
 - Report of the Working Group on Health for All by 2000 22

- Other Important Committees 22
 - Sokhey Committee 1947 22
 - Chopra Committee 1948 22
 - Balwant Rai Mehta Committee 1952 22
 - Renuka Roy Committee 1960 22
 - Jain Committee 1966 22
 - Krishnan Committee 1982 22
 - Dr Shanthi Lal J Mehta Committee 1983 22
 - H Bajaj Committee 1987 22
 - Report of the National Commission on Macroeconomics and Health 2005 23
- Committee Constituted by Government of India with Regard to Nursing and Nursing Profession 23
 - Shetty Committee, 1954 23
 - Bajaj Committee Report, 1986–87 23
- National Health Policies 25
- National Population Policy 28
- National Health Policy on AYUSH and Plans 29

Unit II: Introduction to Nursing Service Administration

Chapter 3: Nursing Administration and Management 35

- Introduction to Nursing Service Administration 35
- The Difference Between Management and Administration 35
- Management Theories 36
- Human Resource Approach to Management 37
- Modern Approach to Management 38
- Significance, Elements and Principles of Administration 38
- Functions of Administration 39
- Principles and Functions of Management 40

Chapter 4: Role of a Nurse Administrator and Manager in a Hospital 43

- Introduction 43
- Role of Nurse Administrator in Hospital 43
- Role of Nurse Manager in Hospital Unit 45

Unit III: Functions of Administration

Chapter 5: Planning 51

- Concept, Definition, Principles, Goals and Objectives of Planning 51
- Operational Planning 54
- Strategic Planning and Proactive Planning 55
- Strategic Plan and Nursing Service Administration 55
- Proactive Planning 56
- Organizational Planning 56
- Sound Organizational Planning for Nursing Services Administration 57
- Managerial Planning 57
- Philosophy, Mission and Vision of Nursing Service Administration 58
- Planning for Change 58
- Lewin's Model of Change 58
- Planning a New Venture 60

Chapter 6: Innovations in Nursing Service Administration 64

- Program Evaluation and Review Technique (PERT) 64
- Critical Path Method (CPM) 65
- Gantt Chart 66
- Management by Objectives (MBO) 66

Unit IV: Organization

Chapter 7: Organizational Structure 73

- Concept, Definition, Principles, Goals, Objectives of Organization 73
- Organizational Structure 75
- Organizational Chart 75
- Organizational Chart of the Nursing Service Department 76

Chapter 8: Organizational Process 78

- Definition of Organizational Process 78
- Formal Organization 78
- Informal Organization 82

Chapter 9: Organizational Theories 85

- Concept of Organizational Theories 85
- Organizational Effectiveness 85
- Organizational Climate 87
- Organizational Culture 88

Chapter 10: Organizing Nursing Services and Patient Care 92

- Patient Classification System (PCS) 92
- Methods of Patient Assignment: Advantages and Disadvantages 94
- Case Method (Patient Method of Assignment) 95
- Functional Method of Patient Assignment 95
- Team Method of Patient Assignment 96
- Modular Method of Nursing 96
- Primary Nursing Method of Patient Assignment 97
- Advance Methods or Alternative Methods of Patient Assignment 98
- Planning and Organizing Hospital, Hospital Unit and Ancillary Services 99
- Planning Intensive Critical Care Unit (ICU) in a Hospital 100

Chapter 11: Power and Politics in an Organization 104

- Concept of Power 104
- Politics 105
- Role of Nurse Administrator to Deal with the Effects of Politics in Organization 106

Unit V: Staffing

Chapter 12: Staffing and Scheduling 111

- Introduction 111
- Concept, Definition, Philosophy of Staffing and Scheduling 111
- Staffing Norms: Staff Inspection Unit (SIU), Bajaj Committee, High Power Committee, Indian Nursing Council (INC) 114

- Staffing Norms by Staff Inspection Unit (SIU) 115
- Staffing Norms by High Power Committee on Nursing and Nursing Profession (1987–1989) 115
- Staffing Norms by Bajaj Committee, 1986 116
- Estimation of Nursing Staff Requirement: Activity Analysis 116

Chapter 13: Staffing Process

120

- Recruitment, Selection, Placement, Promotion 120
- Recruitment 120
- Sources of Recruitment 121
- Recruitment from Internal Sources 121
- Recruitment from External Sources 122
- Factors Influencing Recruitment 122
- Selection Process 123
- Orientation and Placement 124
- Promotion 124
- Retention of Employees 124
- Personnel Policies 127
- Termination 128
- Staff Development Program 129
- Orientation Program 130
- Skill Training Program 130
- Continuing Education Program 132
- Leadership and Management Training 133
- Supervision 134
- Job Description of Nursing Personnel 135

Unit VI: Directing

Chapter 14: Leadership

143

- Introduction 143
- Concept and Definition of Leadership 143
- Leadership Theories and Styles, Qualities of Leader and Assertiveness 144
- Characteristics of Autocratic Leader 144
- Characteristics of a Democratic Leader 144
- Characteristics of Laissez-Faire Leader 145
- Characteristics of Situational Leader 145
- Situational Leadership Style 145
- Fiedler's Leadership Contingency Theory 145
- Blake-Mouton Management Grid Theory 145
- Path-Goal Theory 145
- Supportive Leadership 145
- Directive Leadership 146
- Newer Approaches in Leadership Theories (Contemporary Theories) 146
- Types of Leadership 146
- Transactional Leadership Style 147
- Transformational Leadership Style 147

- Qualities of a Leader 147
- Assertiveness 148
- Creating a Motivational Climate: Motivation, Concept and Theories Motivation 149
- Definitions of Motivation 149
- Meaning of Motivation 149
- Theories of Motivation (Content Theory and Process Theory) 149
- Content Theory of Motivation 149
- Process Theory of Motivation 151
- Role of Nurse Administrator in Creating Motivating Climate 153
- Organizational Communication Strategies 154
- Enhancing Communication Skills 156
- Effective Communication Skill and Role of Nursing Service Administrator 156

Chapter 15: Organizational Behavior and Human Relations

159

- Group Dynamics 159
- Characteristics of Groups 160
- Stages of Development of Group 160
- Human Relations 162
- Public Relation in the Context of Nursing 163
- Decision-Making 165
- Delegation 167
- Relationship Between Authority and Responsibility 168
- Advantages and Disadvantages of Delegation 168
- Conflict Management 171
- Conflict Sources for Nurses 172
- Role of Nurse Administrator in Conflict Management 174
- Negotiation 175
- Elements of Negotiation 175
- Negotiating Process 176
- Negotiation Techniques 176
- Effective Negotiation Skills 176
- Collective Bargaining 177
- Characteristics of Collective Bargaining 178
- Professional Associations and Unions 179
- Trade Union 180
- Health Care Labor Laws in India 181

Unit VII: Controlling

Chapter 16: Quality Assurance

187

- Introduction 187
- Quality Control 187
- Difference between Quality Control and Quality Assurance 188
- Quality Assurance 188
- Quality Audit 190
- Nursing Audit 191
- Quality Improvement 192

- Quality Improvement Models 193
- Future Trends in Quality Improvement in Nursing Practice 194

Chapter 17: Performance Appraisals 198

- Introduction 198
- Objectives 198
- Performance Appraisal Tools (Methods) 200
- Multiple People's Evaluation Methods 201
- Importance of Mentoring and Coaching 201
- Discipline 204
- Disciplinary Strategies 206
- Grievance Procedure 207

Unit VIII: Material Management

Chapter 18: Material Management 215

- Introduction 215
- Concepts, Principles and Procedures of Material Management 215
- Planning and Procurement Procedures 217
- Inventory Control 218
- Condemnation and Disposal 219
- Planning Equipments and Supplies for Nursing Care: Unit and Hospital 220
- Essential Equipments for a Fifty Bedded District Hospital (WHO) 221

Unit IX: Financial Administration

Chapter 19: Budget 227

- Introduction 227
- Budget: Definition, Concept, Philosophy of Budgeting 228
- Types of Budgeting 229
- Budget Estimate, Revised Estimate 230
- Steps in Budgeting 231
- Preparation of Independent Budget 231
- Revised Budgets 233
- Plan and Non-Plan Expenditure (India) 233
- Audit 233
- Terms Used in Budgeting 234
- Budgeting at Various Units and Levels 237

Unit X: Legal and Ethical Issues

Chapter 20: Law and Ethics 243

- Legal and Ethical Issues in Nursing 243
- Definition of Law and Ethics 243
- Ethical Committee 244
- The Code of Nursing Ethics and Professional Conduct 246
- Code of Ethics for Nurses in India (as Per Indian Nursing Council) 246
- Code of Professional Conduct for Nurses in India 247

- Legal System: Types of Law, Law of Tort, and Liabilities 247
- Liabilities 248
- Legal Issues in Nursing 248
- Examples of Allegations in Lawsuits Involving Nurses 249
- Legal Issues in Hospital Nursing Administration 249
- Legal Issues in Educational Administration 249
- Nurses Role in a Medicolegal Case 250
- Legal and Ethical Issues in Nursing Practice 251
- Nursing Regulatory Mechanisms Licensure, Renewal, Accreditation 251
- License 253
- Renewal of Licence 254
- Accreditation 254
- Principles of Accreditation 254
- The National Assessment and Accreditation Council (NAAC) India 254
- National Accreditation Board for Hospitals (NABH) 254
- Patient's Rights 255
- Consumer Protection Act (CPA) 256
- Hospital Infection Control 256
- Standard Safety Measures 258
- Standard Safety Measures in Hospital 258
- Classification of Waste Category-1 259
- Color Coding for Segregation of BMW 259
- Standard Precautions 259
- The Role of Nurse Administrator in Facilitating Standard Safety Measures in Hospital 260

Unit XI: Nursing Informatics

Chapter 21: Introduction to Nursing Informatics 267

- Current Trends in Nursing Informatics 267
- General Purposes of Nursing Informatics (NI) 268
- Use of Computers in Hospital and Community 268
- Patient Record System 270
- Medical Records 270
- Nursing Records and Reports 271
- Reports 273
- Management Information and Evaluation System (MIES) 275
- Nursing Management Information System (NMIS) 276
- E-Nursing 276
- Telemedicine 277
- Application of Telehealth Care 278
- Telenursing 279

Unit XII: Nursing Unit Management

Chapter 22: Introduction to Ward Management 287

- Planning Physical Facilities and Floor Space 287
- Time Planning Daily/Weekly Plan 290

- Causes of Time Wasting in an Organization 291
- Methods Utilized to Plan Time by the Head Nurse 291
- Roles of Head Nurses in Time Planning 292
- Factors Involved in Good Ward Management 293
- Maintaining Therapeutic Environment 295
- Role of a Head Nurse in Student Education–Nursing Rounds, Nursing Care Conference 295

Unit XIII: Educational Administration

Chapter 23: Applications of Principles of Administration in Nursing Education 301

- Applications of Principles of Planning in Nursing School Administration 301
- Applications of Principles of Organization in Nursing School Administration 303
- Applications of Principles of Staffing in Nursing School Administration 303
- Recruitment 304
- Selection of Faculty 304
- Orientation and Placement of the Faculty 305
- Promotion of the Faculty 305
- Retention of Faculty Member 305
- Personnel Policies 305
- Staff Development Program 306
- Supervision 306
- Developing Job Description for Nursing Faculty 306
- Application of Principles of Directing in Nursing School Administration 306
- Application of Principles of Controlling in Nursing School Administration 307
- Application of Principles of Budget in Nursing School Administration 310

Unit XIV: Issues and Challenges

Chapter 24: Issues and Challenges in Nursing Administration 317

- Introduction 317
- Issues and Challenges in Nursing Service Administration 318
- Issues and Challenges in Educational Administration 320
- Nursing Leadership in Education 322

Chapter 25: Emergencies and Disaster Management 326

- Introduction 326
- Reconstruction Phase (Restoration of Pre-Disaster Condition) 328
- Role of Nurses in Disaster Management 328
- Role of Nurse in Rehabilitation 329
- Post Disaster Phase—After 3 Weeks 330
- Role of Nurse Administrator in Disaster Management 330

Chapter 26: Nursing Standards 333

- Introduction 333
- Standards: Concept and Definition 333
- Importance of Standard 334
- Characteristics and Sources of Standard 334

- Levels and Types of Standard 334
- Framework of Standards 335
- Steps in Developing Standards 335

Unit XV: Nursing as a Profession

Chapter 27: Nursing as a Profession	341
• Introduction to Nursing as Profession 341	
• Regulatory Bodies: INC, SNC Acts 343	
Chapter 28: Professional Advancement	346
• Introduction to Professional Advancement 346	
• Continuing Nursing Education (CNE) 346	
• Career Opportunities 348	
• Membership in Professional Organization 349	
• Role of a Nurse in Participating Research Activities 350	
• Publication of Research Report 351	
<i>Glossary</i>	357
<i>Previous Years' Question Papers</i>	373
<i>Index</i>	397
