

CONTENTS

Section 1: Female: Pelvic Floor Dysfunction

Chapter 1. Quick Reminder: Functional Anatomy	3
❖ Urinary Tract	3
❖ Bladder	3
❖ Urethra	5
❖ Uterus	7
❖ Ovaries	8
❖ Fallopian Tubes	9
❖ Uterine Ligaments	9
❖ Rectum	10
❖ Anus	11
❖ Overview of Female Reproductive System	11
❖ Vulva	11
Chapter 2. Pelvic Floor Muscle and Functions	14
❖ Pelvic Floor Muscle Layers	14
❖ Functions of Pelvic Floor Muscles	17
Chapter 3. Pelvic Floor Muscles Dysfunction and Types	22
❖ Pelvic Floor Muscles Dysfunction	22
Chapter 4. Assessment of Pelvic Floor Muscles	27
❖ Subjective History	27
❖ Other Keypoints in Pelvic Floor Evaluation	28
❖ Pelvic Rehab Clinic	31
❖ General Questions	32
❖ Bladder Health Sample Assessment	32
❖ Sample form for Vaginal Laxity and Pelvic organ Prolapse	34
❖ Het's FSF Scale (Pain-Hypertonus) (Female Sexual Function)	34
❖ Het's FSF Scale (Laxity-Hypotonus) (Female Sexual Function)	37
❖ Interpretation of Het's FSF Scale	40
❖ Objective History	42
❖ Het's MMT Grade for Pelvic Floor Muscles	43
❖ Het's—Manual Muscle Testing (MMT) Grading—Pelvic Floor Muscles	43
❖ Wow Vagina-Fit	45
❖ Wow Vagina-Dilate	48
❖ Procedure: During Transvaginal Examination	52
❖ Vaginal Pelvic Floor Muscle Examination—One or two Fingers?	53
❖ Het's Ring Clock Assessment	55
❖ Het's Ultimate Goal: Full Curve (From —3 to 3, from Complete Relaxation to Complete Contraction)	59

- ❖ Het's Assessment Level for Pelvic Floor Muscle 60
- ❖ Other School of Thoughts 61
- ❖ Laycock Quantitative Assessment Scale (Perfect) 61

Chapter 5. Hypertonus Pelvic Floor Dysfunction (Vaginal Spasm and Health Issues)

64

- ❖ Pudendal Neuralgia 64
- ❖ Tension Myalgia 64
- ❖ Coccydynia 65
- ❖ Levator Ani Syndrome 65
- ❖ Proctalgia Fugax 65
- ❖ Hemorrhoids 65
- ❖ Anismus 65
- ❖ Pelvic Inflammatory Disease 65
- ❖ Endometriosis 66
- ❖ Coccygeus-levator Spasm Syndrome 67
- ❖ Vulvodynia 67
- ❖ Vulvar Vestibulitis 67
- ❖ Interstitial Cystitis 68
- ❖ Urethral Syndrome 68
- ❖ Urgency-frequency Syndrome 68
- ❖ Hypertonus Pelvic Floor Muscle 69
- ❖ Constipation 69
- ❖ Inflammatory Bowel Disease 69
- ❖ Irritable Bowel Syndrome 70
- ❖ Vicious Cycle: Pelvic Floor Muscle Painful Tightness and Anxiety 70

Chapter 6. Hypotonus Pelvic Floor Dysfunction (Vaginal Laxity and Health Issues)

72

- ❖ Causes of Hypotonus Pelvic Floor Muscle 73
- ❖ Pregnancy, Labor, Childbirth, and Vaginal Laxity 74
- ❖ Vaginal Laxity 77
- ❖ Research and Statistics for Urinary Incontinence 84
- ❖ Pelvic Organ Prolapse 86
- ❖ Hemorrhoids and Pelvic Floor Muscles 94
- ❖ Medical Research: Vaginal Looseness and Bulging of Organs (Pelvic Organ Prolapse) 95

Chapter 7. Female Sexual Dysfunction (Pelvic Floor and Female Sexual Dysfunction)

99

- ❖ Female Sexual Health Disorder 99
- ❖ Functional Anatomy 100
- ❖ Female Sexual Dysfunction 107
- ❖ Female Sexual Function Index 113
- ❖ Significance of Pelvic Floor Muscle in Female Sex Health 113
- ❖ Vaginal Spasms And Female Sex Health 115
- ❖ Oncology And Female Sexual Dysfunction 115

- ❖ Menopausal Changes 116
- ❖ Radiotherapy, Chemotherapy, and Female Sexual Dysfunction 116
- ❖ Vaginal Laxity and Female Sex Health 116
- ❖ Urinary Incontinence and Female Sex Health 117
- ❖ Postsurgical Sexual Problems 117
- ❖ Research Findings about Female Sex Health 118
- ❖ Orgasm and Pelvic Floor 121

Section 2: Male: Pelvic Floor Dysfunction

Chapter 8. Quick Reminder: Functional Anatomy	125
❖ Bladder and Voiding 125 ❖ Urethra 126 ❖ Prostate 126 ❖ Scrotum 127 ❖ Testicles 128 ❖ Epididymis 128 ❖ Spermatic Cords and Ductus Deferens 128 ❖ Seminal Vesicles 130 ❖ Ejaculatory Duct 130 ❖ Cowper's Glands 130 ❖ Penis 130 ❖ Semen 130 ❖ Nerve Supply 131	
Chapter 9. Pelvic Floor Muscles and Functions	133
❖ Pelvic Floor Muscle Layers 133 ❖ Functions of Pelvic Floor Muscles 136	
Chapter 10. Pelvic Floor Muscles Dysfunction (Types of PFD)	139
❖ Pelvic Floor Dysfunction 139 ❖ Types of Pelvic Floor Dysfunction 140 ❖ Other Classifications of Pelvic Floor Dysfunction 141	
Chapter 11. Assessment of Pelvic Floor Muscle	143
❖ Subjective 144 ❖ Het's MSF Scale Male Sexual Function (MSF) 144 ❖ Interpretation of Het's MSF Scale 148 ❖ Objective 149 ❖ Disclaimer 149 ❖ Self Test 150 ❖ Het's—Manual Muscle Testing (MMT) Grading—Pelvic Floor Muscle 151 ❖ Male Pelvic Floor Hypertonus Dysfunction And Trigger Point Symptoms 153	
Chapter 12. Hypertonus Pelvic Floor Dysfunction (Pelvic Pain and Health Issues)	156
❖ Pelvic Pain 156	

Chapter 13. Hypotonus Pelvic Floor Dysfunction (Erectile Dysfunction and Other Health Issues)	162
❖ Causes	163
❖ Hypotonus Dysfunction	163

Section 3: Pediatric Pelvic Floor

Chapter 14. Normal Continence Development, Enuresis and Encopresis	175
❖ Enuresis	176
❖ Het's Assessment Level for Pelvic Floor Muscle	176
❖ Encopresis	178

Section 4: Pelvic Floor Muscle: Rehabilitation

Chapter 15. Different School of Thoughts on Kegel and Pelvic Floor Rehabilitation	185
❖ Pelvic Floor Muscle Training Protocols	185
Chapter 16. Foundation for Pelvic Floor Rehabilitation	188
❖ Treatment	188
❖ Pelvic Floor Muscles Versus Accessory Muscles	194
❖ Modalities	196
❖ Mobilization or Manual Therapy	199
❖ Home Exercise Plan	199
❖ WOW Pelvic Floor 360	199
❖ Mode of Application of Pelvic Floor 360	202
❖ Progressive Resistance Training System	206
❖ What are Home-used Devices for Pelvic Floor Rehabilitation? WOW-Woman	214
❖ Wow Vagina-Fit for Treatment	218
❖ Frequently Asked Questions	221
❖ Wow Vagina-Dilate Treatment	222
❖ Application Developed for the Home use	223
Chapter 17. Rehabilitation for Hypertonus Pelvic Floor Dysfunction (How to Treat Tight Pelvic Floor Muscle?)	228
❖ Symptoms Associated with Hypertonus Pelvic Floor Muscle	228
❖ Different Rehabilitation Techniques and Protocols	229
❖ Modalities	233
❖ Exercise Training	235
❖ Het's Relaxation Protocol	242
❖ Het's Pelvic Floor Muscle Goals Scale for Hypertonus	244
❖ Hands On Training: PF 360 and Hypertonus Conditions	245

Chapter 18. Rehabilitation for Hypotonus Pelvic Floor Dysfunction (How to Treat Weak Pelvic Floor Muscles?)	250
❖ Het's Pelvic Floor Muscle Goals Scale	250
❖ Sample Protocol	251
❖ Het's—Manual Muscle Testing (MMT) Grading—Pelvic Floor Muscles	252
❖ Het's Exercise Protocol For Pelvic Floor Dysfunction	253
❖ Het's Protocols	253
❖ Rehabilitation for Male Hypotonus Pelvic Floor Dysfunction	258
❖ Prostate Health and Pelvic Floor Muscle Rehabilitation	259
❖ Postprostatectomy Rehabilitation	259
❖ Postprostatectomy Protocol	261
❖ Rehabilitation for Erectile Dysfunction and PME: PFM Training and Prevention of Erectile Dysfunction	261
❖ Patient Education About Self-training	262
❖ Indirect Neuromuscular Re-education	263
❖ Erectile Dysfunction Treatment Options	265
❖ Premature Ejaculations	266
❖ Rehabilitation Principles for Urinary Incontinence	267
❖ Knack Technique for Stress Urinary Incontinence	267
❖ Hands On: PF360 and Hypotonus Conditions	268
❖ Het's BC Protocol for Male	269
❖ How to Customize Pelvic Floor Muscle Rehabilitation	269
Chapter 19. Rehabilitation for Female Sexual Dysfunction (Woman's Sex Health and Rehabilitation)	273
❖ Lifestyle Modifications	274
❖ Rehabilitation for Hypertonus Sexual Dysfunction	276
❖ Glazer's Pelvic Floor Rehabilitation Protocol	278
❖ Infertility and Pelvic Floor Rehabilitation	279
❖ Rehabilitation Guidelines for Hypotonus Sexual Health	279
❖ Hands On PF360 Guidelines for Female Sexual Dysfunction	281
Section 5: Medical and Surgical Management	
Chapter 20. Introduction of Medical and Surgical Management of Pelvic Floor Muscle Dysfunction	285
❖ Treatment of Hypertonus Pelvic Floor Dysfunction in Females	287
❖ Treatment of Hypotonus Pelvic Floor Dysfunction in Females	291
❖ Treatment of Pelvic Floor Dysfunction In Males	293
Appendix	295
