Section 1: Current Trends and Issues in Child Health Nursing

1. Introduction to Child Health	3
❖ Historical Development of Pediatrics and Pediatric Nursing in India	3
❖ Changing Trends in Preventive, Promotives and Curative Aspects of Child Health	6
❖ Curative Aspects	8
❖ Contemporary Issues and Trends in Child Health Nursing	8
❖ Current Principles in Pediatric Nursing	10
❖ Current Status of Child Health in India	10
❖ National Health Policy for Children	13
❖ Five Year Plans for Children	13
❖ Difference Between Child and Adult	15
❖ Role of Pediatric Nurse	16
2. Cultural, Traditional, Ethical and Legal Issues in Pediatric Care	25
❖ Cultural and Traditional Aspects of Pediatric Care	25
❖ Ethical Issues in Pediatric Care	31
❖ Decision-making Models	37
❖ Parents' and Children's Rights	44
❖ Rights of Children	46
❖ Legislations in Relation to Child Health and Welfare (Legal Aspects in Nursing)	46
❖ Consumer Protection Act and the Medical Profession	50
❖ Special Laws and Ordinance Related to Children	51
3. Prenatal Pediatrics	63
❖ Embryological and Fetal Development	63
❖ Prenatal Factors Influencing Growth and Development of Fetus	67
❖ Genetic Assessment and Screening	70
❖ Genetic Counseling	73
❖ Legal and Ethical Aspects of Genetic Screening and Counseling	75
❖ Genetic Disorders	76
❖ Nursing Process	92
4. Growth and Development	95
❖ Principles of Growth and Development	96
❖ Patterns of Growth and Development	96
❖ Factors Influencing Growth and Development	98
❖ Stages of Growth	101
❖ Growth Charts	103
❖ Stages and theories of Development	105
❖ Theoretical Approaches to Child Development	106
❖ Play Needs for Different Age Groups	108
❖ Infant Development (Up to 1 Year)	111
❖ Toddler Development	115
❖ Preschoolers Development (3–5 Years)	118
❖ School Age (5–12 Years) Child Development	122
❖ Middle School-age Childhood (9–11 Years of Age)	124
❖ Adolescent (12–19 Years)	126
❖ Importance of Growth and Development for Nurses	129
❖ Accidents: Causes and Prevention	129
5. Preventive Pediatrics	133
❖ Concept, Aims and Scope of Preventive Pediatrics	133
❖ Maternal Health and Its Influence on Child Health	135

❖ Maternal and Child Health Program	140
❖ Under Five Clinic/Well Baby Clinics	142
❖ National Health Programs Related to Child Health	143
❖ National Health Programs for Non-Communicable Diseases in Children	155
❖ National and International Agencies for Child Health	157
❖ National Voluntary Health Agencies	158
❖ International Voluntary Health Agencies	159
6. Nutrition in Children	162
❖ Nutritional Requirements for Children	162
❖ Changing Patterns of Feeding	164
❖ Breastfeeding	167
❖ Complementary Feeding	169
❖ Feeding in Exceptionally Difficult Circumstances	171
❖ Human Milk Banking	172
❖ National Nutritional Programs	173
7. Hospitalized Child	179
❖ Meaning of Hospitalization in Childhood	179
❖ Factors Affecting Children's Reaction to Hospitalization	179
❖ Stressors and Reactions Related to Developmental Stages	180
❖ Effects of Hospitalization on Family	182
❖ Play, Activities and Recreation for the Hospitalized Child	183
❖ Nurse's Role in Caring for the Hospitalized Child	184
❖ Principles of Pre- and Postoperative Care of Infants and Children	187
❖ Summary of Hospital Environment for Sick Child	188
8. Education and Training in Pediatric Care	191
❖ Staff Orientation Program	191
❖ In-service Education Program	192
❖ Clinical Teaching	194
Section 2: IMNCI Strategy	
9. Integrated Management of Neonatal and Childhood Illnesses	199
❖ The IMNCI Strategy	199
❖ Outpatient Management of Young Infants Age up to 2 Months	200
❖ Outpatient Management of Children, Aged from 2 Months to 5 Years	204
❖ Immunization Status	207
❖ Principles of Management of Sick Children in a Small Hospital	208
Section 3: Health Deviations	
10. Nursing Care of the Child with Respiratory Disorders	213
❖ Variations in Pediatric Anatomy and Physiology	213
❖ Common Medical Interventions	215
❖ Overview of the Nursing Process for the Child with Respiratory Disorder	217
❖ Acute Infectious Diseases	221
❖ Acute Noninfectious Diseases	232
❖ Structural Anomalies	234
❖ Chronic Diseases	235
❖ Acute Nasopharyngitis	241
❖ Pathophysiology	241
❖ Statistics and Incidences	241
❖ Clinical Manifestations	241
❖ Assessment and Diagnostic Findings	241
❖ Medical Management	242
❖ Pharmacologic Management	242
❖ Nursing Management	242
❖ Acute Bronchitis in Children	243
11. Nursing Care of the Child with Neurological Disorders	246
❖ Variations in Pediatric Anatomy and Physiology	246
❖ Common Medical Interventions	247

❖ Nursing Process Overview for the Child with Neurologic Disorder	247
❖ Seizure Disorders	256
❖ Structural Defects	259
❖ Infectious Disorders	263
❖ Head Injuries in Children	268
❖ Cerebral Palsy	270
12. Nursing Care of the Child with Gastrointestinal Disorders	276
❖ Variations in Pediatric Anatomy and Physiology	276
❖ Common Medical Interventions	277
❖ Nursing Process for the Child with Gastrointestinal Disorder	279
❖ Structural Anomalies of the Gastrointestinal Tract	283
❖ Acute Gastrointestinal Disorders	290
❖ Chronic Gastrointestinal Disorders	296
❖ Hepatic Disorders	303
13. Nursing Care of the Child with Cardiovascular Disorders	311
❖ Variations in Pediatric Anatomy and Physiology	311
❖ Common Medical Interventions	312
❖ Nursing Process Overview for the Child with Cardiovascular Disorder	314
❖ Disorders of the Heart in a Child	320
❖ Congenital Heart Diseases	320
❖ Acquired Cardiovascular Disorders	339
❖ Heart Transplantation	343
14. Nursing Care of the Child with Renal Disorders	346
❖ Variations in Pediatric Anatomy and Physiology	346
❖ Common Medical Interventions	347
❖ Nursing Process Overview for the Child with Renal Disorder	349
❖ Structural Disorders	352
❖ Urinary Tract Infection	355
❖ Acquired Disorder Resulting in Altered Renal Function	357
❖ Dialysis and Transplantation	362
Obstructive Uropathy	364
15. Nursing Care of the Child with Neoplastic Disorders	366
❖ Childhood Cancer Versus Adult Cancer	366
❖ Common Medical Interventions	367
❖ Nursing Process Overview for the Child with Neoplastic Disorder	371
❖ Leukemia	376
❖ Lymphomas	378
❖ Brain Tumors	379
❖ Neuroblastoma	380
❖ Bone and Soft Tissue Tumors	381
❖ Hepatoblastoma	384
❖ Screening for Reproductive Cancers in Adolescents	385
16. Nursing Care of the Child with Communicable Disorders	387
❖ Process of Infection	387
❖ Variations in Pediatric Anatomy and Physiology	390
❖ Common Medical Interventions	390
❖ Nursing Process Overview for the Child with Communicable Disease	391
❖ Common Communicable Diseases in Children	396
Dengue Fever	407
❖ Definition	407
❖ Description	407
❖ Incidence	408
❖ Causes	408
❖ Clinical Manifestations	408
❖ Pathophysiology	408
❖ Complications	408
❖ Assessment and Diagnostic Findings	408
❖ Medical Management	408
❖ Nursing Management	409
❖ Prevention	409

Measles 410

- ❖ Definition 410
- ❖ Description 410
- ❖ Statistics and Incidences 410
- ❖ Causes 410
- ❖ Mode of Transmission 410
- ❖ Clinical Manifestations 410
- ❖ Different Periods for Measles Disease 411
- ❖ Risk Factors of Measles Disease 411
- ❖ Pathophysiology 411
- ❖ Test and Diagnosis for Measles 411
- ❖ Medical Management 411
- ❖ Pharmacologic Therapy 411
- ❖ Nursing Management 411

AIDS/HIV in Children 412

- ❖ Definition 413
- ❖ Mode of Transmission 413
- ❖ Signs and Symptoms 413
- ❖ Complications 413
- ❖ Assessment and Diagnostic Findings 414
- ❖ Medical Management 414
- ❖ Nursing Management 415

17. Nursing Care of the Child with Hematological Disorders**418**

- ❖ Variations in Pediatric Anatomy and Physiology 418
- ❖ Common Medical Interventions 419
- ❖ Nursing Process Overview for the Child with Hematologic Disorder 419
- ❖ Anemia 424
- ❖ Polycythemia Vera 426
- ❖ Hemoglobinopathies 426
- ❖ Clotting Disorders 429

18. Nursing Care of the Child with Endocrine Disorders**434**

- ❖ Variations in Anatomy and Physiology 434
- ❖ Common Medical Interventions 434
- ❖ Nursing Process Overview for the Child with Endocrine Disorder 436
- ❖ Pituitary Disorders 440
- ❖ Disorders of Thyroid Gland Function 446
- ❖ Disorders Related to Parathyroid Gland Function 449
- ❖ Disorders Related to Adrenal Gland Function 450
- ❖ Disorders of the Pancreas 452

19. Nursing Care of the Child with Disorders of the Eyes or Ears**458**

- ❖ Variations in Pediatric Anatomy and Physiology 458
- ❖ Common Medical Interventions 459
- ❖ Nursing Process Overview for the Child with a Disorder of the Eyes or Ears 459
- ❖ Infectious and Inflammatory Disorders of the Eyes 462
- ❖ Eye Injuries 464
- ❖ Visual Disorders 465
- ❖ Retinopathy of Prematurity 468
- ❖ Visual Impairment 469
- ❖ Otitis Media 470
- ❖ Otitis Externa 473
- ❖ Hearing Loss and Deafness 473

20. Nursing Care of the Child with Integumentary Disorders**476**

- ❖ Variations in Pediatric Anatomy and Physiology 476
- ❖ Common Medical Interventions 477
- ❖ Nursing Process Overview for the Child with Integumentary Disorder 477
- ❖ Infectious Disorders 480
- ❖ Seborrhea 483
- ❖ Scabies 484
- ❖ Psoriasis 486
- ❖ Acne 487
- ❖ Injuries 488

- ❖ Atopic Dermatitis 493
- ❖ Nursing Management 494

21. Nursing Care of the Child with Musculoskeletal Disorders 497

- ❖ Variations in Pediatric Anatomy and Physiology 497
- ❖ Common Medical Interventions 498
- ❖ Nursing Process Overview for the Child with Musculoskeletal Disorder 505
- ❖ Congenital and Developmental Disorders 508
- ❖ Acquired Disorders 511
- ❖ Scoliosis 515

Fractures 517

- ❖ Definition 517
- ❖ Nursing Management 521

Section 4: Care of Newborn and Critically-III Child

22. Neonatal and High-risk Newborn Nursing 525

- ❖ First Six Hours: A Transitional Period 525
- ❖ Fetal Circulation 526
- ❖ Physiological Changes of Newborn 527
- ❖ Characteristics of Newborn 529
- ❖ Newborn Assessment 534
- ❖ Care of the Newborn at the Time of Birth 536
- ❖ Nursing Care in Special Situations 546
- ❖ High-risk Newborn: Concepts, Goals and Principles 546
- ❖ High-risk Newborn Identification, Classification and Nursing Management 548
- ❖ Nursing Care of High-risk Newborn 550
- ❖ Transport of Neonates 555
- ❖ Identification and Classification of Neonatal Infections 555
- ❖ Postmaturity 562
- ❖ Babies of Diabetic Mothers 563
- ❖ Babies of Drug Abused Mothers 564
- ❖ Respiratory Conditions in High-risk Newborn 566
- ❖ Respiratory Distress Syndrome 567
- ❖ Hypoxic Ischemic Encephalopathy 568
- ❖ Birth Trauma 569
- ❖ Neonatal Seizures 571
- ❖ Hypocalcemia, Hypoglycemia and Hypomagnesemia 572
- ❖ Hemolytic Diseases of Newborn 573
- ❖ Hemorrhagic Disease of the Newborn (or) Vitamin K Deficiency Bleeding 576
- ❖ Neonatal Resuscitation 577
- ❖ Kangaroo Mother Care 578
- ❖ Neonatal Jaundice 580
- ❖ Hypothermia 581
- ❖ Hyperthermia 583
- ❖ Neonatal Seizures 586

23. Planning and Organization of Intensive Care Units for Children 593

- ❖ Concept of Critical Care Nursing 593
- ❖ Principles of Critical Care Nursing 594
- ❖ Planning and Organization of Neonatal Intensive Care Unit 594
- ❖ Delivery of Neonatal Care 596
- ❖ Triage or Three-tiered System of Neonatal Care 596
- ❖ Organization of Pediatric Intensive Care Unit 602

24. Intensive Care for Pediatric Clients 607

- ❖ Stabilization and Monitoring of Pediatric Clients 607
- ❖ Provision of Care in ICU 608
- ❖ Nutritional Needs of Critically-III Child 618
- ❖ Nosocomial Infections and their Control in Critical Care Units 629

25. Crisis and Nursing Intervention 633

- ❖ Family-centered Care 633
- ❖ Sources of Parental Stress 634

- ❖ Identified Parental Needs and Coping Strategies 636
- ❖ Intervention Strategies 637
- ❖ Coping with Grief and Bereavement 641

Section 5: Behavioral and Social Pediatrics

26. Childhood Psychiatric and Developmental Disturbances

647

Child Psychiatric Disorders 647

- ❖ Child Abuse 647
- ❖ Early Infantile Autism 648
- ❖ Childhood Schizophrenia 649
- ❖ Childhood Depression 650
- ❖ Bipolar Disorder 651
- ❖ Childhood Phobias 651
- ❖ Anxiety and Related Disorders in Children 652
- ❖ Panic Disorder 652
- ❖ Stealing Among Children 654
- ❖ Aggression 656
- ❖ Learning Disabilities 658
- ❖ Conversion Disorder 661
- ❖ Bulimia Nervosa 662

Developmental Disturbances 663

- ❖ Causes of Behavioral Disorders 663
- ❖ Heuristic Model of Processes Underlying the Impact of Chronic Adversities 664
- ❖ Feeding Problems 665
- ❖ Habit Disorders 668
- ❖ Speech Problems 673
- ❖ Sleep Disorders 674
- ❖ Educational Problems 675
- ❖ Adjustment Problems 676
- ❖ Antisocial Problems 677
- ❖ Sexual Problems 678
- ❖ Management of Behavior Disorder 679
- ❖ Child Guidance Clinic 680

27. Challenged Child

681

- ❖ Consequences of Disabled Children 682
- ❖ Rights of the Disabled Child 682
- ❖ Rehabilitation 683
- ❖ Hospitals and Institutes Handling Disabilities 684
- ❖ Welfare Services for Handicapped Children 684
- ❖ Mental Retardation 685
- ❖ Nursing Management of Child with Mental Health Disorder (Including Behavioral Disorders) 687

Appendix
