Log Book for PEDIATRIC POSTGRADUATES

This Competency-based Pediatric Postgraduate log book is a comprehensive tool designed for pediatric postgraduates to systematically record clinical work, procedures, and academic progress. Aligned with NMC guidelines it and current training requirements, it ensures accurate documentation and supports reflective learning. With structured sections and easy-to-use formats, it helps streamline assessments and foster accountability. A must-have for every pediatric trainee aiming for organized, efficient, and goal-oriented training.

Shetanshu Srivastava MD MAMS FISMN is the Additional Professor of Pediatrics at Dr Ram Manohar Lohia Institute of Medical Sciences (RMLIMS), Lucknow, Uttar Pradesh, India. She completed her Advanced Course in Medical Education from the regional center at KGMU and is a member of the Medical Education Unit at Dr RMLIMS, Lucknow. Her project on workplace resiliency, aimed at preventing burnout among postgraduates, is in the process of being successfully incorporated into curricula, playing a pivotal role in promoting mental well-being in medical training programs. She has vast experience of teaching undergraduate and postgraduate students. She is part of the Expert panel Indian Academy of Pediatrics National Respiratory Chapter Evidence-Based Guidelines Development Group (IAP NRC EBGDG). She is Nodal for NRC UP Govt (CoE State of UP), Dr RMLIMS, Lucknow. She is an Editorial Executive Member, Journal of Pediatric Pulmonology. She is a National level master Trainer of IYCF, ATM, CAMP, Cough module, IMNCI, Growth Development and Behavioral Pediatrics, and various IAP and UNICEF health-related programs. She is a Member of State Technical Advisory Unit for SAM and collaborating with UNICEF for management of malnutrition. She has more than 50 publications to her credit, besides 12 chapters in various books and monographs, and has co-authored book on cough and wheeze. She is a Reviewer and Member, Advisory Board of number of journals.

SN Singh MBBS MD is Professor and Head, Department of Pediatrics, with a vast teaching experience at King George's Medical University, Lucknow, Uttar Pradesh, India. He did his MBBS from MLN Medical College (Allahabad), MD (Pediatrics) from KGMU (Lucknow), and 3 years of Senior Residency from Kalawati Saran Children's Hospital-Lady Hardinge Medical College (KSCH-LHMC), New Delhi. He has more than 50 national and international publications and two gold medals/best paper awards. He has completed four national and international research projects. He has been the master Trainer at national and state level for various neonatal and child health-related programs. He is an outstanding Teacher whose expertise and suggestions on the log book are extremely valuable.
